*Classroom Activity:* Using the posters conjugate the verbs matching the posters. Have students come up in pairs to match the posters, thus conjugating the verbs.

Then, use the posters from the previous chapter with the singular subject pronouns (*yo, tú, el, ella*) and have students match posters and conjugate the verb in the singular and plural. Give each pair of students a different poster.

Now have the students practice conjugating the verbs on paper at their desks. Conjugate several *-ar* verbs with the class orally. Everyone says it together.
